By its very nature, summer camp is a unique environment where kids of all ages can be challenged and inspired while developing memories to linger in hearts for years to come. A place where time stands still apart from the everyday routines of life, camp encourages a young mind to discover the great truths of Jesus Christ while surrounded by new friends, loving counselors, and thrilling activities and adventures.

Since 1947, Big Sky Bible Camp has been a refuge, offering various camping experiences to influence campers with the life-changing power of Jesus Christ through numerous games, activities, and teachings. Careful selection (including background checks) and in-

tensive training equips counselors and staff with Biblical instruction in order that they may be role models who imitate Christ, influencing campers to pursue godliness and truth.

The most critical decision a person ever makes depends on what he or she thinks regarding Jesus Christ, and nothing in all creation outweighs the importance of building a meaningful relationship with Him. The goal of Big Sky is to glorify God by giving each child an opportunity to be challenged and encouraged with the Good News of God's Word, striving to draw each camper closer to Jesus Christ.

Invest in the life of your child - help them embark on a life-changing adventure here at Big Sky, providing them with memories and commitments to last a lifetime!
